

Community of Hope

EVERY BABY DESERVES TO REACH THEIR FIRST BIRTHDAY

August 28, 2018

MEETING

Thursday, September 13, 2018, 10 a.m.

Phillips Temple CME Church

3620 Shiloh Springs Road

Trotwood, Ohio 45426

Dear Pastors,

A meeting has been scheduled for churches in the Trotwood area to discuss the very important issue of infant mortality. Please note the date change. The church has served a dominant role as an informed health and social services provider throughout history. It is our hope that by coming together, we can help to inform and make our community aware of the resources we have to address this vital issue.

The meeting will be hosted by Pastor Dr. James Washington. Please confirm your plans to attend and the number of members from your congregation that will be present. I can be reached by calling 937-790-6335. Thank you.

Sincerely,

Richard Clay Dixon
