

DELIVERANCE PRAYER

Dearest Lord Jesus , I confess and I
proclaim that You are the *Lord* of my
life, and that the stripes You bore on the
Cross at Calvary have for eternity
established You as my *Redeemer*.

I proclaim that you are Jehovah, creator of the heavens and the earth, and that you are my God, and that your Father is my spiritual Father.

Yahweh I rededicate my life afresh unto
You this minute and seat myself afresh
under the jurisdiction of Your power
and authority, Your protection and
rules.

Father by my faith in Jesus Christ your only begotten Son, and my belief that You are able, I petition You Father to bring healing and deliverance to every area of my life that is in bondage to the consequences of what my sins have brought upon to me.

Father rescind every legal right the devil is claiming, any legal right to torment me or oppress my soul. I submit every part of me, my body, soul, spirit, emotions, needs, desires, hurts, and oppressions into Your hands for this work of healing and deliverance to take place.

You have the highest precedence of authority and jurisdiction over every part of me and over every sin, stronghold, emotional wall, root and work the devil has against me.

Your will be done Father in delivering me from everything that binds, restricts, controls and robs me of my peace of mind, and joy in the Holy Ghost.

In Jesus Christ's name I take authority over every dark spirit that would attempt to interfere in my receiving deliverance, especially the spirit of confusion and fear and I command them bound.

Strengthen me in Your strength. Fill my body from the bottom of my toes to the top of my head with the atoning, blessed, victorious, sanctified, consecrated blood that Jesus Christ shed for me at Calvary.

Cleanse every part of me (*including my stomach, intestines, and bowels*) with Your *anointed Holy Spirit* and *the power that is in the blood of Jesus Christ*. Purge every *work of oppression* from me.

I claim my authority over all power of the enemy by the authority Jesus has given me in Luke 10: 19. and I proclaim my victory over every sin, negative feeling / emotion, bad thought / memory and spiritual influence satan has been using against me to tempt me to sin.

or to influence me to become fearful,
anxious, angered, to feel unworthy etc.
Father I petition You to change my very
nature this day from being sinful, to
being righteous.

From being in bondage to negative emotions, mental anguish and oppressive living to living in victory as a new creation by the fruit of Your Holy Spirit. *(Speak forth the changes you are looking for God to bring to Your life and claim them for yourself before God)*

Father I forgive afresh every person who has ever sinned against me and I repent afresh every sin I have ever committed. I forgive every person who has physically, or emotionally hurt me and who has contributed to me being negative in my thinking.

To me believing lies about myself and to my having emotional hurts and emotional walls formed within me and which keep an area of my mind, body, or soul in bondage.

Forgive me Abba for every person I have hurt by action, word, or deed. (Ask God to bring to your mind anything, or anyone you need to forgive, ask forgiveness for, renounce, repent of etc, and do it before you continue.)

By the name and the blood of Jesus
Christ I proclaim that the chains which
have kept an area of my soul in bondage
broken, that the strongholds which were
against me are pulled down and
demolished.

That the emotional walls that was restricting my emotions and hindering God from healing them torn down and that the dark spirits that were working in those strongholds were bound and sent to dry and arid places.

Abba I request to receive intercession from the power which is in the name and the Blood of Jesus Christ in that each word, each request and each command spoken in this prayer shall be expedited and finalized by You.

Father sanction and release a double portion of Your anointing into my life and into the requests of my prayers. I thank you Jesus Christ for Your faithfulness to the Throne of God, and I thank You Abba for loving me.
